

Articulation Pathway from IVE Engineering Higher Diploma to THEi Bachelor's Degree

IVE Engineering Higher Diploma	THEi Bachelor's Degree
Higher Diploma in Artificial Intelligence and Robotics	Bachelor of Science (Honours) Information and Communications Technology
HD in Civil Engineering	Bachelor of Engineering (Honours) Civil Engineering
HD in Geospatial Science and Land Surveying	Bachelor of Science (Honours) Green Engineering and Sustainability
HD in Building Services Engineering	Bachelor of Engineering (Honours) Building Services Engineering
HD in Electrical Engineering	Bachelor of Science (Honours) Green Engineering and Sustainability
HD in Computer and Electronic Engineering	Bachelor of Science (Honours) Information and Communications Technology
HD in Aircraft Maintenance Engineering	Bachelor of Engineering (Honours) Aircraft Engineering
HD in Architectural Studies	Bachelor of Arts (Honours) Landscape Architecture
HD in Architectural Technology and Design	Bachelor of Arts (Honours) Landscape Architecture
	Bachelor of Arts (Honours) Product Design
HD in Building Studies	Bachelor of Science (Honours) Surveying
	Bachelor of Science (Honours) Green Engineering and Sustainability
HD in Mechanical Engineering	Bachelor of Engineering (Honours) Building Services Engineering
	Bachelor of Science (Honours) Green Engineering and Sustainability
HD in Surveying	Bachelor of Science (Honours) Surveying
Higher Diploma in Environmental Protection (Subject Group) - Environmental Engineering	Bachelor of Science (Honours) Green Engineering and Sustainability

Note: Depending on the requirements of individual programmes, IVE Engineering Higher Diploma graduates may be required to take bridging module(s), subject to discretion of THEi.
