

# Smart Grid Webinar series 2022

Versatile platform in Smart Grid  
development through academia-industry  
collaborations forward smart energy initiatives

Period: March to July 2022

Platform: Hybrid mode

Online

Live (Only limited seats available  
at SGOC)

Medium: Cantonese, Putonghua, English

CPD: 1 hour CPD for each session  
(5 hours in CPD hours for total  
sessions)

**22 MAR**  
 HKT4PM ↓  
 HKT5PM ↓

**“Micro Grid/Smart Grid/Connected Grid”**
**Mr Tony Wong**  
 Deputy Centre Manager  
 Smart Grid Operation Centre, IVE (Haking Wong)  
 English / Cantonese

**“Introduction to Grid-forming inverter”**
**Mr Jason Chow**  
 Assistant Centre Manager  
 Smart Grid Operation Centre, IVE (Haking Wong)  
 English/ Cantonese

**8 APR**  
 HKT4PM ↓  
 HKT5PM ↓

**“Smart Metering Journey for CLP”**
**Ir John Chan**  
 Director  
 Technical Services  
 English / Cantonese

**24 MAY**  
 HKT5PM ↓ GMT 9 AM  
 HKT6PM ↓ GMT 10 AM

**“Addressing the growing complexity of power and energy system through interconnection of geographically distributed research laboratories”**
**Dr Mazheruddin Hussain Syed**  
 Strathclyde Chancellor's Fellow  
 Electronic and Electrical Engineering  
 English

**“Protection and control challenges and potential solutions on future power network operation”**
**Dr Qiteng Hong**  
 Strathclyde Chancellor's Fellow  
 Electronic and Electrical Engineering  
 English

**21 JUN**  
 HKT4PM ↓  
 HKT5PM ↓

**“Introduction to Real-Time Digital Simulation”**
**PEng Haiyue Wang**  
 Simulation Engineer  
 Technical Marketing - China  
 English/Putonghua

**“Real-Time Simulation for Protections in Modern Power Systems”**
**PEng Eric Xu**  
 Lead Applications Engineer  
 Advanced Protection  
 English/Putonghua

**25 JUL**  
 HKT4PM ↓  
 HKT5PM ↓

**“System based testing for daily maintenance – the ultimate solution to handle the fast changing Smart Grid”**
**Mr Joe Wong**  
 Regional Application Specialist  
 English / Cantonese

**“Building the Platform for Future-Proven Smart Grid – the IoT and Big Data development in Power Utilities”**
**Mr Noble Ji**  
 Business Development Manager  
 Power Utility Communication  
 English / Cantonese
